FEC REport For the period of 9/1/2004-9/30/2004

The Itemized an unitemized receipt number has changed between the original FEC filing and the amended FEC Filing that was sent today May 4, 2005. Below is the explanation of what occurred to change this.

Jim Ferrer gave \$150.00 on 4/5/04; therefore, his contribution was listed under unitemized. Jamie B. Ferrer gave another \$150 on 9/20/04. Later, Mr. Ferrer called to tell NAIFAPAC that he goes by both "Jim" and "Jamie" and that we had duplicate records of his contributions. NAIFAPAC merged his contribution records and therefore, his combined \$300 contribution moved from the unitemized to the itemized line of the FEC report.
